

Guarantee:

FAUSER FENSTERBAU Warranty

You pay good money for your windows and doors. Don't you think they should last?

Although our windows and doors will probably outlive us, we provide the peace of mind guarantee to ensure your windows will perform for years to come.

- against discoloring and cracking of white PVC window and door profile surfaces
- against discoloring and cracking of interior foil covered PVC window and door profile surfaces
- against discoloring and cracking of anodized or powder-coated aluminum window and door profile surfaces
- against moisture forming between the insulation glass panes

- against corrosion on PVD coated door handles, with no existing mechanical damage
- against discoloring and cracking of decorative door panel surfaces

- against discoloring and cracking of roller shutter plastic profile surfaces
- against discoloring and cracking of anodized or powder-coated aluminum roller shutter and venetian blind profile surfaces
- for the function of window and door metal fittings after observing the installation and maintenance guidelines
- for the function of security sensors such as open/close sensors, locked/unlocked sensors and glass spiders as long as the wiring was done to the manufacturers specifications.
